Visitation

WELCOME TO FORT LAUDERDALE BEHAVIORAL HEALTH CENTER!

While we know the importance of family-centered care, the visitation times have been selected to not interfere with your loved one's therapeutic schedule, as they need to be able to obtain the maximum benefit in their treatment.

- In order for proper processing for safety, you are required to arrive *30 minutes* prior to the start of visitation in the *Patient Lobby* located in the front of the hospital.
- Visitor's items will be stored in a 12x12 locker. No personal items (including cell phones) will be permitted in the visitation area.
- All visitors must be 18 years and older (it is not the responsibility of the facility to watch unattended children).
- Only two visitors per patient. We will not switch out visitors.
- Items brought to patients must be limited and will be searched and delivered within 24 hours.
- Food items will not be permissible.
